STV Group

The plastics machinery specialist

STV provides an outstanding range of plastics machinery from all over the world, plus a wealth of application expertise, to help you get the most out of your investment. We aim to provide quality, value-for-money and reliable support services throughout the life of your machines.

From our base in Milton Keynes, Buckinghamshire, we serve customers throughout the UK and Eire.

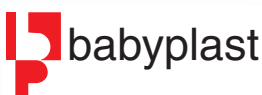

The STV Group brings together all these leading brands:

Beam robots, sprue pickers, robot tooling

One of the world's leading manufacturers of industrial robots, Apex offers exceptional performance and value, endorsed by thousands of users worldwide.

Telephone: 01908 616544 **www.apexrobot.co.uk**

Micro-moulding and two shot machines

Babyplast is a pioneer in micro-moulding with a range of stand-alone machines and add-on injection units allowing multi-component moulding with standard machines.

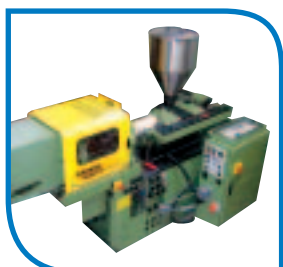

Telephone: 01908 616704 **www.babyplast.net**

Plastic processing ancillaries

The Shini line-up includes a huge range of high quality dryers, loaders, granulators, proportioning valves and more — at prices you simply won't believe.

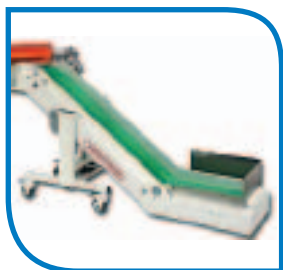

Telephone: 01908 616774 **www.shini.co.uk**

Pre-owned plastic machinery

Our highly successful used plastics machinery website connects buyers and sellers directly, allowing both parties to strike the best deals.

Telephone: 01908 616534 **www.stvconnect.co.uk**

Conveyors, separators, box fillers, mixers

Choose from a range comprising hundreds of standard models, or use our custom build services to build to your own specification.

Telephone: 01908 514068 **www.virgionionastri.co.uk**
